CitraClean

Concentrated Orange Citrus Degreaser

CitraClean is a concentrated, non-caustic cleaner formulated with natural orange oils for professional removal of grease, oil and grime from compatible surfaces.

Key benefits

Concentrated formula for adjustable dilution • Citrus fragrance • Water-rinsable • Suitable for industrial maintenance and workshop cleaning.

Typical applications

Machinery, engines, tools, workshop floors, vehicle components and compatible hard surfaces. Test material compatibility before use.

Published technical information

Product / SKU	CitraClean / CITRAC-5
Product type	Concentrated citrus degreaser
Formulation	Non-caustic; natural orange oils
Target deposits	Grease, oil, grime and selected adhesive residues
Application	Suitable sprayer, mop or cloth
Dilution	Water : product; see guidance below
Pack sizes	5 L; 2 × 5 L; 4 × 5 L; 160 × 5 L; 210 L; 1,000 L

Dilution guidance

Light-duty cleaning: up to 100:1. Medium-duty cleaning: 50:1. Heavy-duty degreasing: 25:1. Stubborn deposits: use neat where compatible. Ratios are water to product.

Surface preparation and application

1. Read the label and SDS. Test a small inconspicuous area.
2. Prepare the appropriate dilution and apply using a suitable sprayer, mop or cloth.
3. Agitate where required, then rinse thoroughly with clean water.

Handling, storage and safety

WARNING: Causes serious eye irritation (H319). Wear appropriate protective equipment as specified in the current SDS. Keep out of reach of children. Store securely in the original closed container. Consult the SDS for full safety and storage information.
